

ONLINE SAFETY

During the assessment, verify that the following requirements are in place and complied with:

- ✓ Measures are in place to ensure the safe use of the internet, digital platforms and social media within football activities;
- ✓ Children receive education on online safety and digital literacy;
- ✓ Children are informed about the risks of cyberbullying, online grooming, fraud and sharing personal information;
- ✓ The use of children's photographs, videos and personal data complies with the KFF Safeguarding & Child Protection Policy and applicable legislation;
- ✓ Appropriate parental/legal guardian consent is obtained before using children's images or personal data;
- ✓ Staff, coaches and volunteers follow safe digital communication practices with children;
- ✓ Personal social media accounts are not used for inappropriate communication with children;
- ✓ All cases of cyberbullying, online abuse or other digital risks are addressed and documented promptly;
- ✓ Children know how to report online concerns or suspicious activity safely;
- ✓ Parents are informed about online risks and ways to protect children in the digital environment;
- ✓ Staff receive regular training on online safety and child protection in digital environments;
- ✓ Regular initiatives promote digital literacy and a safe online culture.
